

Ministry Core Values

True North on a compass represents the magnetic direction to which a compass is drawn. It cannot point another direction, as it is compelled by an unseen power to point in one single and true direction. Like the compass, **True North -Counseling, Coaching & Mentoring Ministry**, believes there is only one direction a life can travel that will bring real direction, purpose, peace, and lasting fulfillment. That “true” and “unseen power” in a person’s life must be God and Him alone. Though each one’s path is different with triumphs, challenges, obstacles, and setbacks being abundant, if the true and unseen power of God is present and followed or returned to in the process, the journey is full of His genuine love, hope, faith and a purpose filled future.

“For I know the plans I have for you,” says the LORD. “They are plans for good and not for disaster, to give you a future and a hope.” **Jeremiah 29:11** [NLT]
